

Bore Da / Good Morning! 😊

The Cymru Team want to say a huge thank you to those of you who were able to join our Diversity Champions briefing event on 14th July.

It was fantastic to have so many leading inclusive employers together for a conversation about the recent attacks on this work. We really appreciate your support and your commitment to progressing LGBTQ+ rights. If you weren't able to attend the event the recording of the briefing is [here](#).

We've also created a briefing for your senior leaders [here](#), which you can share, in addition to the [FAQs on our website](#).

Our team are here to support you and your colleagues to respond to the current climate and reaffirm your commitment to your LGBTQ+ staff, service users' clients and customers. As always XXXXX, XXXXX and I are here so please contact any of us!

As discussed in the event, we want to ensure you feel supported by us, should you receive any negative feedback internally, or questions prompted by the news cycle.

Please add 'media feedback' in the subject line as this will help us field these emails appropriately. It's important for us all to think about how we share harmful content, especially with people who may have the identities being targeted. Adding 'media feedback' in the subject line not only helps us do this better but allows us to support our staff in the best way possible too.

Thank you for your extended support and we always welcome your feedback and thoughts.

Warm regards / Cofion cynnes
