Hi there,

Please can you advise if this would fall under the EIA regs and if you would be interested in following it up? As its well outside the boundaries of any SSSI/SAC we wouldn't get involved in a response. The caller is happy for me to share his details and if you require any additional information or the photo's don't download, please let me know

Best regards,

Chris

Hi Chris,

Please find attached- I have added to the notes of WIRS 2202896 as there doesn't appear to be any new information

Many thanks,
