Dear Redacted: Name

Women of Covid

I am writing to ask you to be part of a review process to look at the circumstances surrounding the Women of Covid campaign. I recognise both Welsh Women's Aid and Chwarae Teg have acknowledged that the campaign did not succeed in representing the range of protected characteristics in its initial presentation and I am pleased that both organisations quickly took steps to address the matter.

However, I am keen that we should take the opportunity to learn from experiences like this and I have asked Professor Chantal Patel to look at the events and identify recommendations for improvement as appropriate. I know you have discussed these matters with my officials and I am grateful for your cooperation. As a result, I would like the review to be defined by the terms of reference attached.

I would be grateful if you could confirm you are prepared to facilitate Chantal in her work and I can then ask her to make contact with you.

Yours sincerely

Jane Hutt AS/MS
