Primary French Project for Primary and Secondary teachers

The Primary French Project provides free teaching materials that aim to train all who teach French at KS2.

Suitable for all practitioners, including those who have no prior knowledge of the language, and also specialist linguists who are new to teaching children in KS2, the materials aim to train the teacher by providing the subject knowledge and classroom methodology that are needed in order to meet the requirements of the Programme of Study for Languages in KS2, as well as transition into KS3. Resources are free to download [here](#).
