

3 October 2022

Dear

ATISN 16709 – Coopers Filters, Abergavenny

Thank you for your request to the Welsh Government for information under the Freedom of Information Act (2000) received on 02 October 2022. You requested the following:

- How many employees who worked at the above factory died of cancer related deaths?

Response

Public Health Wales NHS Trust has in place a policy for the investigation of concerns about clusters of non-communicable disease, such as cancer. The policy requires that the concern is reported to the Director of Public Health in the health board concerned. The Director of Public Health then identifies someone from the local public health team to lead the response, and if necessary, liaise with environmental health officials.

You may wish to contact Public Health Wales NHS Trust using the following link: foi.phw@wales.nhs.uk.
