Information requested

Thank you for your request which I received on 12 October 2022. You asked for:

1. An internal review of our response to your earlier request for information on the proposed Kilvey Hill development with Skyline.
2. Copies of the correspondence with Skyline, including details of and a copy of any agreements entered or to be entered into with Skyline.
3. The amount of financial support being provided to, or offered to, Skyline from the Welsh Government for the proposed development.
4. The amount of financial support being provided, or offered to Skyline from any other public body, for the proposed development.
5. Copies of information that shows any support being provided, or offered, to Skyline does not amount to an unlawful subsidy.

Our response

For point 1, as set out in my letter of 4 July, and again in my letter of 17 October, requests for internal review should be submitted within 40 working days and this request is outside of that timeframe and as such no review of your previous request can now take place.

Regarding point 2. We confirm that we do hold some information as described. No agreement exists between ourselves and Skyline at this point in time. We have concluded that the information we hold is exempt from disclosure at this point in time under the s21(1) s29(1)(a) and s43(2) exemptions provided by the Freedom of Information Act 2000. Annex 1 sets out in details of our application of these exemptions.

Regarding point 3. We hold no information as described as we have made no offer of financial support to Skyline.

With regards to point 4. We hold no information as to whether any other public body has provided any financial support to Skyline.

Regarding point 5. As we have not made any offer of financial support to Skyline we hold no recorded information that fits this description.
