Notes:

1. Following the 2015 Comprehensive Spending Review, the Home Office made an annual transfer of funding to the Welsh Government in order for the Welsh Government to deliver its agreed contribution to police funding in Wales. From 2022-23 onwards, this additional funding is no longer transferred and is instead delivered by the Home Office through the Police Grant and Top Up Grant. This resulted in the Welsh Government contribution to policing reducing by £29.93m last year and this is set for 2023-24 and subsequent years. This is purely an administrative change and does not result in any change in overall funding for any Police Force.

2. This is the amount of police grant set out in section 3 of the Police Grant Report which includes the allocation under 'Principal Formula' and 'Add Rule 1' (columns a and b) plus the amount 'floor funding' that the Home Office has made available.

3. Figures for 2023-24 are shown before the adjustment made for the transfer of Special Branch funding, as outlined in paragraph 4.8 of the Police Grant Report.
