Subject: RE: Gylfinir Cymru Partnership meeting request

Dear Lesley,

In my capacity as Wales Species Champion for the Curlew, I was copied on today's e-mail below sent to you by Rachel Greaves, RSPB Cymru, secretariat to the Gylfinir Cymru partnership.

I would therefore be grateful if you could give this your attention and copy me on your response.

Questioning you in the Chamber on 28th September, I stated that "We now only have nine breeding seasons left to save this iconic indicator species from its projected extinction as a breeding population in Wales" and asked "How will you therefore work with the Gylfinir Cymru coalition to deliver the emergency intervention required?".

In response, you stated "I'll be very happy to work with the organisation, if they would like to write to me, to seek a meeting. I'm very well aware of the urgency required in relation to the Curlew, having obviously been responsible in the previous term of Government. So, if you have a contact there, please do ask them to write to me, or if they hear this, and I will be very happy to meet with them".

I look forward to receiving your response accordingly.

Thank you.

Regards

Mark

Subject: Fwd: Gylfinir Cymru Partnership meeting request

Hello

I am writing further to my emails dated 13 October and 20 October (details below) issued on behalf of Gylfinir Cymru partnership.

The partnership is seeking a meeting with Ms Griffiths as outlined in my email and I would be grateful if you could please let me know whether she would be available either for an on-line or in person meeting? We had suggested either the end of November or beginning of December, however, I appreciate this may now be a tight timescale for Ms Griffiths. If she has availability in the early new year, we would look forward to outlining our aim to deliver the emergency intervention required for the recovery of the Curlew species.

I look forward to hearing from you.

Should you have any queries please do not hesitate to contact me.

Thank you

Kind Regards

Rachel Greaves, RSPB Cymru, secretariat to the Gylfinir Cymru partnership

Fao: Ms Griffiths' Diary Secretary

Hello,

I am writing further to my email dated 13 October 2022 on behalf of the Gylfinir Cymru partnership. I would be grateful if you could please let me know if Ms Griffiths' has any available meeting dates.

At a meeting of the Senedd on 28 September Ms Griffiths had advised Mark Isherwood MS that she would be happy to work with the partnership in our aim to deliver the emergency intervention required for the recovery of the Curlew species. The partnership is keen to engage with the Minister. We would like to arrange a meeting, either at an on-site venue close to Ms Griffiths' constituency or,

if more convenient, a Teams online meeting with a small group of representatives from the partnership.

Please could I ask you to review Ms Griffiths' diary and let me know whether she would have any availability in the next couple of months, preferably either towards the end of November or early December.

I look forward to hearing from you.

Should you have any queries please do not hesitate to contact me.

Thank you

Kind Regards

Rachel Greaves, RSPB Cymru, Secretariat to the Gylfinir Cymru partnership
