Dear

ATISN 17108 – Access to early medicine schemes

Thank you for your request to the Welsh Government for information under the Freedom of Information Act (2000) received on 2 February 2023. You have requested the following:

- 1. How many patients received treatment under EAMS for the products listed on attached spreadsheet*

Response

The Early Access to Medicines Scheme is operated by the Medicines and Healthcare Products Regulatory Agency (MHRA) and covers the whole UK. Medicines approved by the MHRA for inclusion in EAMS are routinely available in Wales but it is for individual clinicians and health boards and NHS trusts to determine whether to prescribe EAMS medicines.

The Welsh Government does not collect data on the number of patients treated with EAMS or any other treatments. We suggest that you direct your enquiry to health boards across Wales.

I have attached a link to the contact details for each of the health boards as follows:
<http://www.wales.nhs.uk/ourservices/directory>.

If the medicines you are enquiring about relate to the treatment of cancer, please contact the Velindre University NHS Trust at: [Contacting us - Velindre University NHS Trust](#)
