Subject: FW: ATISN 16776

Hi (redacted under S40)

I spoke with the General Medical Council (GMC) earlier. They are happy for the doctor to contact them to discuss their Revalidation guidance in more detail via the GMC contact centre - the phone number is 0161 923 6602 or alternatively via email: gmc@gmc-uk.org

I hope this helps.

Many thanks

(redacted under s40)
