If you are encountering problems or are unable to access your online account, please contact the RPW Online Helpdesk on 0300 062 5004.

Once logged in to your online account the RPW Online 'Homepage' will appear.

Rural Payments Wales Online – Home page.

To access the Flood and Coastal Erosion Management– Natural Flood Management Grant application, click the Tab labelled 'Forms' on the RPW Online home screen, as shown below.

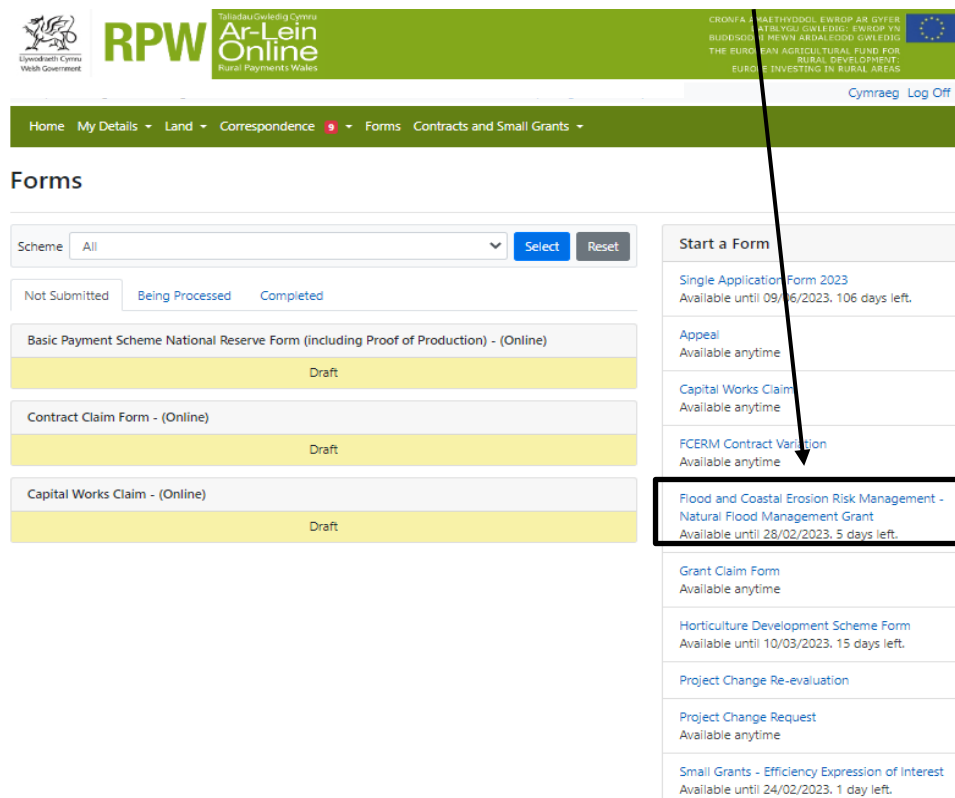

To change the language at any time, click the button located in the top right hand corner bar of the RPW Online information. This will allow you to choose the language your Flood and Coastal Erosion Management – Natural Flood Management Grant application is displayed in.

Forms Page

Once you have selected the Forms tab you will see the Forms that are available for you to complete.

Select the Flood and Coastal Erosion Risk Management – Natural Flood Management Grant from the list.

Getting Started

Once you have read the Guidance Booklets, to start your application click the Start Button.

The screenshot shows the RPW Ar-Lein Online portal. At the top, there are logos for the Welsh Government, RPW, and the European Agricultural Fund for Rural Development. Below the logos is a navigation bar with links: Home, My Details, Land, Correspondence, Forms, Contracts and Small Grants. The main heading is "Start Application start an application or claim". The text explains that the user is asked to complete an application online for "Flood and Coastal Erosion Risk Management - Natural Flood Management Grant". It states that RPW Online will prompt for information required by the form and that starting the application online is not committing to submitting it. It also mentions that the application will not be submitted until the 'Submit' option is clicked. There are links for "Customer Details" and "Online Preferences". At the bottom, there are "Start" and "Cancel" buttons. A red arrow points to the "Start" button.

Introduction Page

This is the introduction page which provides information about the Flood and Coastal Erosion Risk Management – Natural Flood Management Grant.

The screenshot shows the "Introduction" page for the Flood and Coastal Erosion Risk Management - Natural Flood Management Grant. The page title is "Introduction" and it includes a navigation bar with "Previous", "Save", and "Next" buttons. The main content area contains the following text:

Flood and Coastal Erosion Risk Management - Natural Flood Management Grant

The Flood and Coastal Erosion Risk Management Natural Flood Management Grant is open to Local Authorities to bring forward natural flood management works utilising Welsh Government funding.

As with the capital programme, schemes must benefit **people and properties**.

Authorities are invited to submit applications for individual projects up to a maximum value of **£200,000 per scheme** and can submit multiple applications for consideration. One application form should be submitted per scheme.

All works must be undertaken, completed and claimed for by 16 March 2025.

Guidance for the Natural Flood Management Grant including what is and is not eligible for funding can be found [here](#).

Evidence to be submitted with application forms should include (where appropriate):

- Maps showing location of proposed works
- Flood maps showing risk
- Section 19 reports
- Photos/evidence of past flooding and/or annotated maps showing how previous flooding incidents occurred (flow paths etc.)
- Pre-construction photos of area affected by proposed works
- Reference to Local Flood Risk Management Strategies where appropriate

Failure to provide sufficient evidence may result in the application being delayed or rejected.

All works undertaken must be done under the requirements of the Grant Memorandum for Flood and Coastal Erosion Risk Management which can be found [here](#).

For queries related to any of the Flood & Coastal Erosion Risk Management Grants, please contact the Welsh Government Flood Branch at FloodCoastalRisk@gov.wales

If you have any technical issues completing your application online, you should contact the Customer Contact Centre using your RPW Online account or by telephone on 0300 062 5004.

At the bottom of the page, there are "Print", "Exit", "Previous", "Save", and "Next" buttons. A red arrow points to the "Next" button.

Once you have read the information click on the Next Button.

Privacy notice: Welsh Government Flood, Coastal Erosion, Risk Management grants

Introduction/Background

The Welsh Government provides grant funding to flood risk management authorities for the purpose of reducing the risks from flooding and/or coastal erosion. In order for us to manage the grants we will need to process some personal data about you and your organisation in order to administer and issue the grant. Before we provide grant funding to you and during the term of the grant award, we may undertake checks for the purposes of preventing fraud and money laundering, and to verify your identity.

What is the Lawful Basis for processing?

The Welsh Government will be the data controller for any personal data you provide in relation to your grant application or request for grant funding. We will process it in line with our public task and the official authority vested in us to provide financial assistance through grant funding to support ministerial objectives, to prevent fraud and money laundering, and to verify identities. Such processing is also a requirement of the grant funding you have requested and will help us assess your eligibility to receive the grant funding.

What personal information do we need to process?

In order to process your grant we will need the following personal information:

- name
- office address and office address history
- organisational contact details such as email address and telephone numbers
- third party organisation details

Why do we need to process your personal data?

The Welsh Government use your information to keep you as a point of contact to administer your application for grant funding. Additionally we, and fraud prevention agencies, may use this information, including any personal data, to prevent fraud and money laundering, and to verify your identity. We and fraud prevention agencies may also enable law enforcement agencies to access and use your personal data to detect, investigate and prevent crime.

We, and fraud prevention agencies, may use this information, including any personal data, to prevent fraud and money laundering, and to verify your identity. We and fraud prevention agencies may also enable law enforcement agencies to access and use your personal data to detect, investigate and prevent crime.

How long will we keep your personal information?

The Welsh Government will keep your personal information for a period of between seven and ten years depending on the nature of the grant award after the completion of your grant in line with our Data Retention Policy. Fraud prevention agencies can hold your personal data for different periods of time, depending on how that data is being used. Please contact us for more information. If you are considered to pose a fraud or money laundering risk, your data can be held by fraud prevention agencies for up to 6 years from its receipt.

Will your personal information be shared?

The Welsh Government may share your information with fraud prevention agencies if we suspect or detect fraud. We may share only relevant information for publicity and post scheme completion evaluations. Administrators of RPW online may have access to your personal information as a part of their routine monitoring and management of the platform.

Your rights:

Under the UK GDPR you have the following rights:

- To access a copy of your own data;
- For us to rectify inaccuracies in that data;
- To object to or restrict processing (in certain circumstances);
- For your data to be 'erased' (in certain circumstances); and
- To lodge a complaint with the Information Commissioner's Office (ICO) who is our independent regulator for data protection.

Contact Information

The contact details for the Information Commissioner's Office are:

Wycliffe House
Water Lane
Wilmslow
Cheshire

Costs and Benefits

Enter the number of homes and businesses that will benefit, the “Total Properties” will update as these are entered.

You must answer all mandatory questions marked with * on this page.

The total cost of the Project should be split over two years. Please enter the amount of Total Costs Works for Year 1 (2023-2024) and for Year 2 (2024-2025). The total of these Two Years cannot exceed £300,000. Should you wish to progress a scheme which you expect to exceed £300k over the two years please contact Flood Branch at Floodcoastalrisk@gov.wales to discuss options.

Please try to divide costs as accurately as possible as budget transfer between these two years may not be possible.

Properties Benefiting

Based on best available information please provide estimates of the number of properties which will benefit in comparison with not doing the work. Budget transfers between Year 1 and Year 2 may not be possible.

Wider Benefits and Well-being Goals

Click on the Add Benefit and/or Add Well-being Goal button/s to add wider benefits and well-being goals for the project.

The screenshot shows a web application interface for 'Flood and Coastal Erosion Risk Management - Natural Flood Management Grant'. The main content area is titled 'Wider Benefits and Well-being Goals'. It contains two sections: 'Wider Benefits' and 'Well-being Goals'. Each section has a text box for instructions and a table for entries. The 'Wider Benefits' section has an 'Add Benefit' button, and the 'Well-being Goals' section has an 'Add Well-being Goal' button. Arrows point from the text above to these buttons.

Wider Benefits

Please provide details of wider benefits against Welsh Government's Sustainable Land Management Objectives as set out in the draft agriculture bill and listed below:

- To produce food and other goods in a sustainable manner.
- To mitigate and adapt to climate change.
- To maintain and enhance the resilience of ecosystems and the benefits they provide.
- To conserve and enhance the countryside and cultural resources and promote public access to and engagement with them, and to sustain the Welsh language and promote and facilitate its use.

Wider Benefits

Click 'Add Benefit' to add details of each of the potential/expected wider benefits.

Wider Benefits
No Entries

Well-being Goals

Please provide specific examples of how the activities listed will contribute to the well-being goals. You may not need to add something for each goal, just those relevant to the work being undertaken.

Well-being Goals

Click 'Add Well-being Goal' to add details of each of the potential/expected wider benefits.

Well-being Goals
No Entries

Note. As a condition of this funding you will be asked to report against the wider benefits listed in the text box and below.

- To produce food and other goods in a sustainable manner.
- To mitigate and adapt to climate change.
- To maintain and enhance the resilience of ecosystems and the benefits they provide.
- To conserve and enhance the countryside and cultural resources and promote public access to and engagement with them, and to sustain the Welsh language and promote and facilitate its use.”

Please make sure you add a line under each of these benefits. Where a wider benefit is not applicable, please indicate this.

You can enter as many Wider Benefits as applicable by selecting from the drop-down list and entering the details in the text box.

The screenshot shows the 'Wider Benefits and Well-being Goals - Wider Benefits' form. The sidebar on the left includes a 'Help' link and a list of navigation items: Introduction, Privacy Notice, Project Details (checked), Location details of Project (checked), Evidence of Flooding (marked with an 'x'), Costs and Benefits (marked with an 'x'), Wider Benefits and Well-being Goals (checked and highlighted), Details of Proposed Work (marked with an 'x'), Consultations and Consents (marked with an 'x'), Value for Money (marked with an 'x'), Checklist of Supporting Documents (marked with an 'x'), and Submission. The main form area has a title bar with 'Cancel', 'Save and Add Another', and 'Save and Return' buttons. Below the title bar, it says 'Questions marked with * are mandatory.' The form contains a 'Benefit Description*' field and an 'Enter Details*' text box. A dropdown menu is open, showing options: Please Select, Please Select, Tourism, Amenity, Recreation, Regeneration, Biodiversity/environmental, Benefits to infrastructure/transport, Benefits to utilities, Benefit to businesses, Benefit to local employment, Health and Wellbeing, and Other (please specify). At the bottom right of the text box, it says '0 / 1000'. At the bottom of the form, there are buttons for 'Cancel', 'Save and Add Another', and 'Save and Return'.

If entering multiple wider benefits click on Save and Add Another, once all wider benefits have been entered click on Save and Return to return to the main Wider Benefits and Well-being Goals screen.

You can enter as many Well-being Goals as applicable by selecting from the drop-down list and entering the details in the text box.

Value for Money

Enter the details of how the work will be procured and the key risks associated with delivery of the project. Include any further information in support of your application.

The screenshot shows the 'Value for Money' section of an application form. The left-hand navigation menu includes: Introduction, Privacy Notice, Project Details, Location details of Project, Evidence of Flooding, Costs and Benefits, Wider Benefits and Well-being Goals, Details of Proposed Work, Consultations and Consents, Value for Money (highlighted), Checklist of Supporting Documents, and Submission. The main content area contains three text input fields:

- Question 1: "How will this work be procured?*" (Mandatory). The text area is empty. Character count: 0 / 1000.
- Question 2: "What are the key risks associated with the delivery of this project?*" (Mandatory). The text area is empty. Character count: 0 / 1000.
- Question 3: "Please include any other information you feel would be relevant to support your application." The text area is empty. Character count: 0 / 1000.

At the bottom of the form, there are navigation buttons: Print, Cymraeg, Edit, Previous, Save, and Next.

Checklist of Supporting Documents

Supporting documents must be submitted by the closing date either at the time that the application is submitted or through the "My Messages" tab on the Home screen.

The screenshot shows the 'Checklist of Supporting Documents' section of the application form. The left-hand navigation menu is the same as in the previous screenshot, with 'Checklist of Supporting Documents' highlighted. The main content area contains a light blue box with the following text:

Evidence to support applications

Evidence to be submitted with application forms should include (where appropriate):

- Maps showing location of proposed works
- Flood maps showing risk
- Section 19 reports
- Photographs/evidence of past flooding and/or annotated maps showing how previous flooding incidents occurred (flow paths etc.)
- Pre-construction photos of area affected by proposed works
- Reference to Local Flood Risk Management Strategies where appropriate

Failure to provide sufficient evidence may result in the application being delayed or rejected.

Below the box, there are two checkboxes:

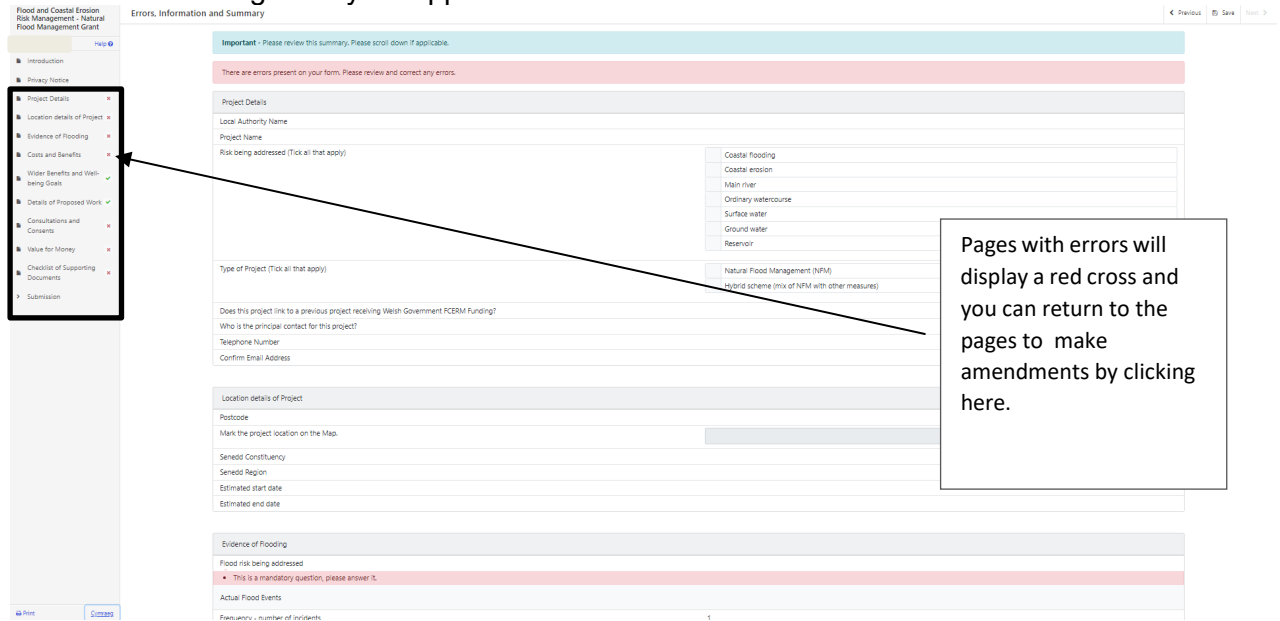

Tick the appropriate box*

- I am submitting supporting documents.
- There are no supporting documents relevant to my application.

At the bottom of the form, there are navigation buttons: Previous, Save, and Next.

Submit

You must submit appropriate documentation to support this application. You can do this by clicking the 'Submit Documentation' button on the next screen after you have clicked 'Submit' below. Your application will not be considered until we have received all required supporting documentation.

Click the button below to submit your Flood and Coastal Erosion Risk Management - Natural Flood Management Grant.

Submit

A Message containing a copy of your submitted Flood and Coastal Erosion Risk Management - Natural Flood Management Grant will be available in your online Messages page within one working day.

Previous Save Next

Once submitted, you will receive a confirmation which you can print for your own records.

You can also submit documentation at this point by clicking on the Submit Documentation button or exit the application.

Once the application has been submitted you are able to start a new application.

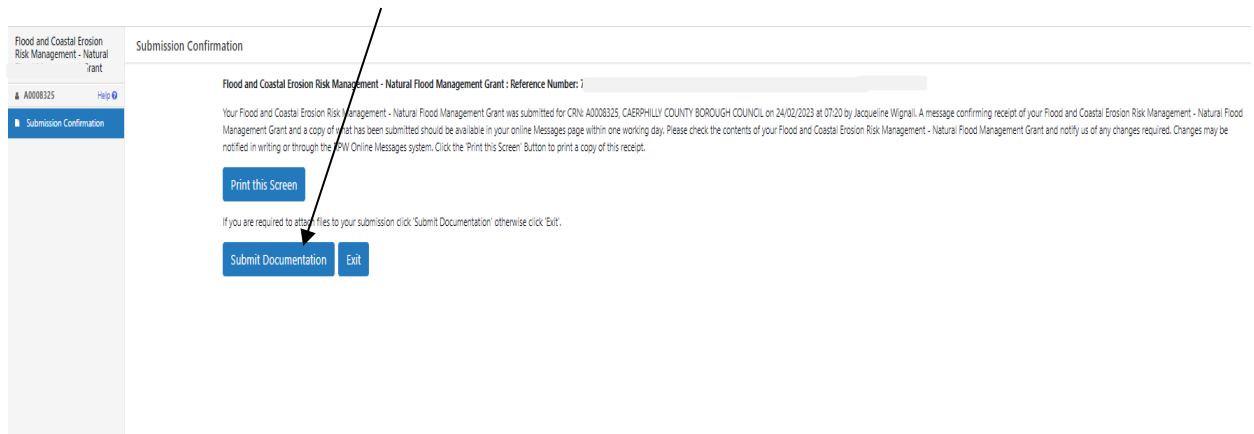

A summary of your completed Flood and Coastal Erosion Management – Natural Flood Management Grant will be added to the ‘Messages’ page on your RPW Online account under the title “Documents received by RPW”. Ensure you check the information submitted thoroughly. If any of the information shown is incorrect, please reply to the Message detailing your concerns. You should do this as soon as you discover any incorrect information.

If you are encountering problems or are unable to access our website, please contact the RPW Online Helpdesk on 0300 062 5004.

Submitting Supporting Documents

You can submit supporting documentation along with your application by selecting Submit Documentation and follow the Create a Message instructions below.

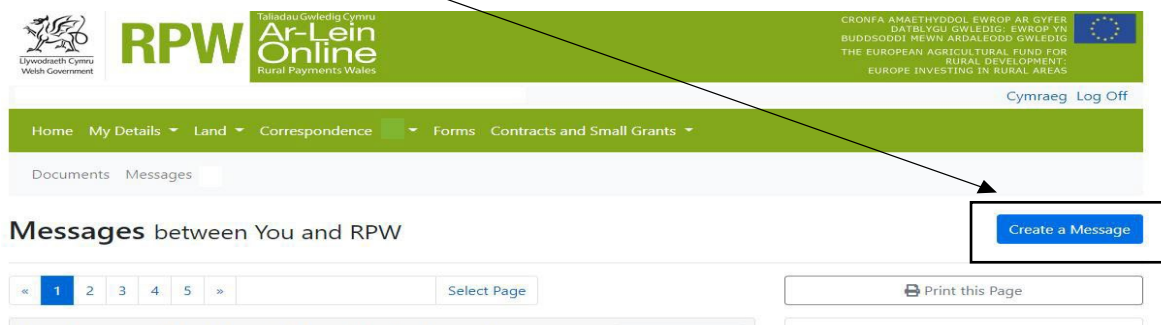

You can also provide the supporting documentation at a later stage by following the guidelines below.

To add any supporting documents click the Correspondence Tab on the RPW Online home screen and select Messages, as shown below.
