Dear

ATISN 172968 – Care Workers

Thank you for your request to the Welsh Government for information under the Freedom of Information Act (2000) received on 20 March 2023. You have requested the following:

1. *How many people have taken up care home training placements each year since 2020?*
2. *Of these, how many have remained in the job over two years?*

Response

1. The Welsh Government records information on apprenticeships but not on training placements generally. An apprenticeship is a paid job which combines employment and training and provides the apprentice with a qualification on completion of the training.

s

Data on apprenticeship starts by sector and framework is available via this link: [StatsWales](#). Figures are presented on an academic year basis (August to July). Of the 4,575 apprenticeship starts in Health and Social Care in 2021/22, at least 2,030 had an employment period in 'residential nursing care' or 'residential care for the elderly and disabled'. Industry information has not been provided for all apprenticeship employment records.

2. Data on the industry that apprenticeship employers belong to is only available from 2021/22. We do not hold data on whether apprentices remain with the same employer following the completion of their apprenticeship.
