Hi Fiona,

Thanks for coming back to me and thanks for providing the further financial information, we will take a look at the detail. Can you please incorporate this into the Business plan, maybe as an annex.

I understand it is a very busy time for you at the moment as you lead up to the festival, when would be a good time for us to meet up to discuss the business plan, short term management of the farm, and other issues like fishing/shooting rights.

Thanks
