Subject: FW: 20230509 - EM/01158/23 - Hefin David MS obo Constituent re Readdress victims of Welsh Infected Blood Support Scheme with extra compensation

Dear WG Officer 1 <redacted s40(2)>
Please see the attached correspondence for clearance. The MS has written obo his constituent (who we know to be <redacted s40(2)>) asking for our position in relation to Dir Robert Francis' Compensation Framework and for our thoughts on our consideration of a request from Haemophilia Wales for parity of payments with England.

We have not received correspondence from Haemophilia Wales on this topic, however this is a non-issue as since parity all schemes make the same payments.

The draft response for consideration is attached – grateful once agreed if you could send on to WG Officer 5 <redacted s40(2)> for action. Its not due until 9 May so can wait for my return if you wish to discuss.

Thanks
Catherine
