Hi REDACTED

As discussed earlier:

- REDACTED
- I have requested the Wales notification be uploaded on to our website, I will let you know when it is done.
- REDACTED will conduct a risk assessment on those Welsh fishers who currently use the Maritime Systems device and discuss the results with you to inform next steps. The system was checked for activity and there are REDACTED active vessels but a total of REDACTED vessels with a Maritime Systems device, of those, REDACTED retained their AST device.
- REDACTED
- REDACTED
- I will send correspondence out REDACTED as soon as I have confirmation the announcement from us has been published on our website.
- I will send communication to REDACTED as soon as the web announcement is published.

- I will send the communication information out to **REDACTED** this afternoon.

Please let me know if there is anything else you would like to add.

Regards
REDACTED
