Dear

ATISN 18653 – COVID Vaccination

Thank you for your request to the Welsh Government for information under the Freedom of Information Act (2000) received on 20 June 2023. You requested the following:

- *How much per injection is each doctors incentive.*
- *What is the modern hospital value of a body and the Welsh expected prescribed deaths hospitals must meet*
- *I would like a full copy of the decision (to give no-one an exemption to the vaccination)*

Our Response

- Health Boards are paid £12.58 per dose of COVID-19 vaccination.
- The Welsh Government does not hold any information of this description.
- The Welsh Government did run a Covid-19 pass exemption scheme. The Welsh Government provided a service to provide exemption certificates to individuals who are unable to receive a COVID-19 vaccine and or take lateral flow tests, to ensure they were able to access premises which required evidence of COVID status. The domestic COVID-19 pass requirement ended in 2022 and the exemption scheme stopped as it became unnecessary. Further information on the how the exemption scheme operated can be found using this link: [NHS COVID Pass exemption certificate: privacy notice | GOV.WALES](#)
