Thank you all for your time today. As promised here is our document setting out why the Humane Cable Restraint is so important in our toolbox. I would really appreciate your thoughts on how I could take this forward.

Hi Sue

Sorry for my lateness in replying.

I'm happy to get something in the diary. Please also include my colleagues [REDACTED] and [REDACTED] (cc'd). I work Part time Mon / Tues / Fri). I have looked at our diaries and would suggest – 30 minute meeting. We are free Monday Sept 13 1pm-2 or Tuesday 14 from 2pm. Are either of those dates suitable?

We are still working on our snares proposals so we won't be in a position to discuss them in detail. The Programme for Government includes a pledge to ban their use in Wales which is our intention.

Please let me know your preferred date and time.

Many thanks

Hi [REDACTED]

I wanted to make a quick introduction with Sue Evans (Director of the Game & Wildlife Conservation Trust Cymru) following a discussion we had earlier today around the Programme for Government commitment to ban the use of snares. Sue is keen to liaise with you as policy lead and share some further information produced by the Trust.

Sue – I can see [REDACTED] is on leave until 31/08, but I'm sure you'll hear from her on return.

Kind Regards

James Owen
