Dear

**ATISN 18816 - SWANSEA MOSQUE AND ISLAMIC COMMUNITY CENTRE**

Thank you for your request which I received on 7 August 2023. You asked for:

1. The name or identifier of the grant application.
2. The grant amount.
3. The purpose/objective of the grant.
4. The grant approval date.
5. A detailed report outlining how the funds were utilised by Swansea Mosque to fulfil the stated objectives of the grant to include activities undertaken, expenses incurred and the outcomes achieved.

**Response**

1. Swansea Mosque and Islamic Community Centre – Application to the Community Facilities Programme
2. £264,500
3. The purpose of the grant is to renovate the Grade 2 listed building to enable additional family friendly services. The grant will provide railings to external areas of the building to create a children's play area, help to renovate the interior and repair the roof.
4. 13 January 2023
5. The first payment of the grant has been made. The grant has provided funds for work to install fencing, the repair of leaks in the entrance porch, a new intercom system, fire doors and the installation of a new lift. The grant has also covered the fees for an application for listed building consent for the work on the roof.

All work has been supported by invoices and proof these have been paid. The second payment will not be made until listed building consent has been granted and work to repair the roof can commence.
