Dear

ATISN 18909

Thank you for your request which I received on 5 September 2023. You provided clarification that you were asking for the following information:

*How many internal flights have claimed for by Ministers in the 12 months to August 2023?
Can I be provided with the name of the Member, the cost of the flight, the departure and arrival destination, and purpose of the journey.*

You clarified that:

Could I please be provided with the information for the total number of journeys, separating out those that have been claimed for on expenses.

A list of the relevant flights in this period is attached. This list includes flights to the Channel Island & Isle of Man which, while strictly defined are not internal to the United Kingdom they would not be classed as overseas and released in other information, so are included here for completeness and transparency.

I can confirm that none were claimed for on expenses.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:
