Mr Gwilym Hughes  
Deputy Director and Head of Cadw

**Dyddiad | Date:** 29 March 2022

**Pwnc | Subject:** Rompney Castle, Cardiff

Dear Mr Hughes

I am writing after a recent meeting with the Save the Romney Castle Group, Cardiff in my constituency.

I understand that a recent inspection by Cadw found that the Rompney Castle was not considered a viable building to be considered for a listed building status.

My constituents have raised concerns that no internal inspection was made of the building. The community group believe that this particular building and site date back to 75AD when the Romans build Caer Castel.

My constituents have raised concerns that due to delayed responses from Cadw they were not afforded time to lodge a reply or appeal the inspection report.

I would be grateful if you could look into this matter and reply with a response that I can share with my constituents. Alternatively, I would be very happy to facilitate a meeting with Cadw and the Save the Rompney Campaign Group if you have not already met with them.

I look forward to hearing from you.

Yours sincerely

Vaughan Gething MS
