Hi [BBC officer 1]

I'm not sure where that information has come from... there's been no change to our position which is:

A Welsh Government spokesperson said: "We are considering the findings of the expert panel's report."

Also just to let you know of a couple of changes to the team – [WG official 2] has joined the team as Chief Press Officer – and [WG official 3] has also joined this week.

Thanks

Subject: Shadow Broadcasting Authority

Hi all,

Apologies if this is not your area... if it isn't, would to be able to direct me to the appropriate department if possible please?

We are going to be running a little line that the recommendations from an expert panel earlier this summer that a Shadow Broadcasting Authority for Wales be set up, are not going to be taken forward.

Our original story here

Would it be possible to get a comment/statement please?

Best wishes
