Subject: FW: EHRC correspondence - reformed speciality doctors contract and subsequent pay award for 2022/2023 - dated 03/04/2023

Good Morning, Bore Da WG Officer 2<Redaction s40(2)>

I hope you are well. We wrote to you on Monday 3rd April expressing concerns relating to a published Equality Impact Assessment completed for the Speciality Doctors Contract pay award for 2022/2023 (correspondence and email attached below). Within this letter we requested a response by no later than the 3rd May so we could better understand the equality considerations made when conducting an EIA for this change in policy and practice.

We have yet to receive a response from you in respect of this matter.

We would expect a prompt response to this before the meeting, arranged for the 26th July between our EHRC-redaction s40(2) and the WG Officer 4<Redaction s40(2)>to discuss Welsh Government's approach to conducting EIA's.

Please acknowledge this email. If you are no longer the correct recipient, please forward to the correct contact. Should you have any questions please get in touch.

Kind regards,

EHRC<redaction s40(2)>
