Dear \_\_\_\_\_,

Complaint in respect of ATISN 18933

Thank you for your request which was received by the Welsh Government on 30 November 2023 in respect of Senedd Members and vehicles owned by Welsh Government.

In your request for a review, you clarified you were seeking information on all Senedd Members of which some are designated Government Ministers.

I have considered your complaint in accordance with the procedure outlined in [Requesting information from the Welsh Government](#) which is available by post on request or via the internet.

The original response was based on the wording of your request. The Welsh Government car service is for Welsh Government Ministers and is resourced entirely separately from resources used to support Senedd Members. Your request was therefore interpreted as asking if Government resources were being used to support Senedd Members activity.

Thank you for clarifying your meaning and the relevant additional responses are shown below:

The number and type of vehicles that are owned by Welsh Government and used by Welsh Government Ministers is already in the public domain at [FOI release 16489: Ministerial cars | GOV.WALES](#).

There are currently 7 Full Time and 6 Part Time drivers that are employed to drive Welsh Government Ministers.

If you remain dissatisfied with this response you have the right to complain to the Information Commissioner. The Information Commissioner can be contacted at:
