

Annual report of the covenant in Wales 2022 to 2023

Over
£330,000
invested in prosthetics
for injured veterans in Wales.

£270,000
has been provided to
support service children,
their families and schools.

8 workshops have been
held in Wales, helping
96 service leavers
transition from the forces.

1,500
veterans from Wales gave
their views to the first ever
UK veterans' survey,
making their voices heard.

£920,000
to support clinical treatment
for veterans with mental
health conditions.

253 veterans
treated for substance
misuse issues.

160 Service leavers and veterans
attended our Employment event in
November, with RFCA, CTP
and the Tri Services in Wales.

21 job offers were made
directly from the event.
