Pwnc | Subject: Gilestone Farm – progress on consultation with the community

Annwyl Gweinidog

Residents have approached me with regards to the timescale on the consultation with the community on the proposed development. I would be grateful if you would provide information on this.

Given the current situation in Talybont-on-Usk, with a wide range of often heated opinions, I would also welcome a commitment by you to consulting with all of the community, and not just the Community Council.

Many thanks.

Yn gywir,
