Dear

ATISN 20022

Thank you for your request which I received on 18 December 2023. You asked for the following information:

Wales-level numbers for children (aged 0-15) for each of the last 10 years, but broken down by:

- *Killed*
- *Seriously injured*

Also, any information you could provide us with on whether speed was a factor? Ideally, we'd like to see the above numbers but only for the cases where speed was a factor.

To summarise, the following columns, with 10 rows (years) of data, please:

*Year
children (aged 0-15) killed
children (aged 0-15) seriously injured
children (aged 0-15) killed, speed was a factor
children (aged 0-15) seriously injured, speed was a factor*

The data you have requested is in the attached spreadsheet.
