From Roger Lewis President Amgueddfa Cymru
25th February 2022

Dear Deputy Minister,

Further to your letter of the 11th February 2022, and my response below of February 15th 2022, I now as promised give you an update on our progress.

My good colleague, Dr Carol Bell, Vice- President, will also be writing to you.

I am pleased to report that the senior executive team (apart from the DG and COO) have agreed to resume meetings with the Trustees and myself. We are looking to schedule these asap.

This is a very significant and positive move forward.

For my part I have once more agreed to mediation with the two complainants. We await their response.

The Trustees and myself continue to be in regular dialogue with [redacted S.40] Head of HR at the Welsh Government regarding all of the actions in your letter and related matters.

I now look forward to us all moving forward together and to progress and address with a sense of urgency the many challenges and opportunities which we all face.

Kind regards,

Roger

Roger Lewis

President national Museum Wales.
