Thank you for your request for information dated 21 January.

Information requested

PJA were heavily involved in advising the Govt about the introduction of the above scheme and I understand are being appointed to review the scheme given the huge backlash it has created.

Can you let me know how much the company was paid for original work done during its introduction and the agreed sum for carrying out the proposed review.

Our response

Phil Jones Associates have been paid £75,000 for consultancy work on the 20mph policy over 3 years. A further £7,000 has been budgeted for Phil Jones to be a member of the review team.
