Dear

ATISN 20134

Thank you for your request which I received on 25 January 2024. You asked for the following information:

Cost per annum for the First Minister's chauffeur driven travel to and from the Senedd, including the salary and meal allowances for the driver.

Details of the type of vehicle or vehicles used - if not the make and model, the engine type and engine size. Can you please detail whether the car/s are owned or leased by Welsh Government and the cost?

I have interpreted your question to mean travel between the First Minister's home and the Senedd. The Welsh Government does not calculate or record the costs, including driver salary, related to individual journeys. These journeys would not incur a meal allowance. The official car fleet is owned by the Welsh Government, the details requested are shown below:
