Dear

ATISN 20182 – Kerbside Collection

Thank you for your request which I received on the 8 February 2024.

You asked for information in relation to the allocation of funding which the Welsh Government has distributed to the Welsh Councils to implement the Collections Blueprint in each area.

You requested details of the funding provided for each year since 2011 alongside a breakdown between capital and revenue funding.

From my preliminary assessment I estimate that it will cost more than the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 to answer your request. The appropriate limit specified for central government is £600. This represents the estimated cost of it taking over 24 hours of time to determine whether we hold the information and to thereafter locate, retrieve and extract it.

In order to provide you with the information that you have requested we estimate it would require a minimum of 30 hours to retrieve historic paper records, review digital records then sort and collate all the necessary data into a useable format.

Consequently, I have decided not to provide you with the information you have requested.

You may wish to refine your request by narrowing its scope by being more specific about what information you particularly wish to obtain, including any dates or period of time relevant to the information required. If you do refine your request in this way, this will be treated as a new request.
