Hi [REDACTED]

Yeah all good here too thanks.

That's the company, hoping to deal with the Bedwas tip by the looks of it.

Do you know who to contact in Caerphilly?

Cheers

Hi [REDACTED], all good thanks, hope you are too

I am not familiar with that – is that Cwmfelinfach Caerphilly way? We don't normally have a lot of involvement with Caerphilly and this is not a site that rings any bells with me.

I have had a quick look at the company and they are an engineering/restoration company – not one that I have had any dealings with personally im afraid – here is a link if you haven't already found it – they look to be based in the right sort of area!

Thanks

[REDACTED]

Hi both,

Hope you're well.

Just wondering if you know anything about the proposed coal processing plant near Cwmfelinfach? And in particular the Minister has asked, via [REDACTED] if we know anything about the company, ERI?

Thanks
