Good morning [REDACTED]

I refer to your e-mail dated 8th November 2023 regarding the Bedwas Tip Reclamation Project.

The information that I gave ERI Reclamation was based on information that was given to NRW by [REDACTED] of Welsh Government (Climate Change and Rural Affairs – Energy) during a regular catch-up meeting with NRW Energy Technical Group on 26th June 2023 which [REDACTED] chairs. Welsh Government officials do attend. It was stated that Welsh Government are developing a more nuanced policy for coal tip restoration, which recognises the environmental imperative for restoration.

I hope that this clarifies the matter.

Kind regards

[REDACTED]
