Dear [REDACTED]

Thank you for your email of 18 February to Vaughan Gething MS, Minister for Economy, regarding pop-up campsites. I have been asked to respond on behalf of Julie James MS, Minister for Climate Change, as planning falls within her portfolio.

As you are aware, the consultation on proposed amendments to the Town and Country Planning (General Permitted Development) Order 1995 closed on 15 February. I note that you have submitted a formal response to the consultation setting out your concerns in respect of any increase to the number of days that temporary uses can take place.

All responses will be fully considered and a formal consultation report setting out the next steps will be issued by the Welsh Government later this year.

Yours sincerely,

[REDACTED]
