Good morning,

Please find attached a submission to the recent consultation on *Permitted Development: Amendments to the Town and Country Planning (General Permitted Development) Order 1995* from CAMRA, the Campaign For Real Ale.

Please accept my sincere apologies that an error at our end meant that this wasn't submitted by the deadline last week, but a colleague I spoke to on the phone yesterday afternoon did suggest that you would be happy to receive it for which we are very grateful.

If you would prefer the response in a different format or if there is anything else that I can help with please don't hesitate to contact me.
