Questions

Q4. Q1. Should the additional days granted by Class A of Part 4A be retained permanently, permitting temporary uses to take place for up to 56 days (28 days for specified uses) in a calendar year?

No

Comments:

To give an example: pop up camp sites during 2021 (where land owners took advantage of the 56 days), had a huge impact on local communities. Increase in congestion, anti social behaviour, pollution from increased cars and camp fires (e.g. 40 plots = 40 fires per night). Communities such as Llysfaen in north Wales are anxious that there'll be a repeat to 2021.

Q5. Q2. Do you have any evidence as to any benefits and impacts as a result of introducing the additional number of days for temporary uses to take place since April? If yes, please specify.

Yes

Comments:

Please see comments to Q1. Local Authorities (planning/highways) don't intervene with examples under permitted development. Communities are left helpless.

Q6. Q3. Do you have views on whether there should be additional restrictions on the use of this PDR to mitigate against potential impacts of making this permanent? If yes, please specify.

Yes

Comments:

Pop up camp sites require same planning consent as normal planning applications.

Q7. Q4. Should the number of days for holding a market generally be extended? If Yes, what is an acceptable number of days for holding a market? What conditions should apply to manage the planning impacts?

No

Q8. Q5. Should any additional days over the permitted 14 days be provided for markets operated by or on behalf of a local authority?

No

Q9. Q6. Do you agree the permitted changes of use within town centres should become permanent? If not, please provide your reasons for disagreeing.

No

Q10. Q7. Do you agree the permitted development right for the use of the highway adjacent to a hospitality use for that purpose should be made permanent? If not, please provide your reasons for disagreeing.

No

Q11. Q8. If you answered yes to Q7, are any additional conditions required to mitigate potential amenity impacts?

No Response

Q12. Q9. Do you agree the permitted development right for the installation of awnings at hospitality uses should be made permanent? If not, please provide your reasons for disagreeing.

Yes

Q13. Q10. Do you have any comments regarding Part 3A?

No

Q14. Q11. Do you have any comments regarding Part 12A?

No

Q15. Q12. Do you agree that HMOs should not benefit from permitted development rights for alterations and extensions to a dwellinghouse granted by Part 1 of the GPDO? If not, please provide your reasons for disagreeing.

Yes

Q16. Q13. Do you agree with the proposed alterations to Class F? If not, please suggest alternative approaches, restrictions or thresholds that could be adopted.

Yes

Q17. Q14. Do you agree greater flexibility should be provided through permitted development rights to accelerate the rollout of electric vehicle charging infrastructure? If not, please provide your reasons for disagreeing.

Yes

Q18. Q15. Do you agree with reintroducing permitted development rights for the protection of poultry and other captive birds?

Yes

Q19. Q16. Do you agree with the proposals for amending Article 4 directions?

Yes

Q20. Q17. We would like to know your views on the effects of the proposals would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English.

What effects do you think there would be? How could positive effects be increased, or negative effects be mitigated?

Interesting question. Can't comment on impact on the Welsh language in relation to pop up camp sites. However, impact on Welsh communities of these sites are significant.

Q21. 18. We have asked a number of specific consultation questions. If you have any related issues which we have not specifically addressed, please use the space below to raise them.
