Dear Sir/Madam

Healthcare Inspectorate Wales (HIW) is responsible for the registration of independent health care in Wales and carries out this function on behalf of the Welsh Government.

I understand that you may be providing Drug, Alcohol and prescribing services in your premises. If this is the case, you are likely to need to register with HIW under the Care Standards Act 2000.

In order to assess whether you need to register, please complete the enclosed registration query form and return it to the Regulation Team at the address below. Once we receive this information, we will determine whether or not you need to be registered.

It is recommended that you return the form to us as soon as possible, as to carry on or manage an establishment without registration is an offence under section 11 of the Care Standards Act 2000.

If you have any questions please do not hesitate to contact the Regulation team.

Yours faithfully
