Hi, we have been scoping whether there are any investigations in NWP that are relevant. I am not aware of an increase in reporting of concerns.

Dear Regional Safeguarding Board Chair,

The UK Government has recently announced a rapid audit of the current scale and nature of organized networks and gang-based exploitation of children across the UK led by Baroness Redacted. We welcome the announcement, and Welsh Government will be engaged fully with the review.

In light of the recent attention on child sexual exploitation and the announcement of the UK review, we are reaching out to ask if safeguarding teams within your region have experienced an increase in contact from individuals raising concerns. If there has been an increase, we would appreciate it if you could share details about your engagement with multiagency safeguarding partners and how you are managing this increased demand.

Your insights will be invaluable. Please can you respond to this email by 7th February.

Thank you for your cooperation and support.

Yours sincerely,

Tîm Diogelu ac Eiriolaeth / Safeguarding and Advocacy Team

Llywodraeth Cymru / Welsh Government
