iii) gwahardd cerbydau dros 3.0 metr o led rhag mynd ar y darnau o'r cefnffyrdd a'r ffyrdd ymuno ac ymadael a bennir yn Atodlen 1 i'r Hysbysiad hwn yn ystod oriau'r nos. Pan fo'n bosibl, gall hyn fod yn gymwys i gau ffyrdd ymuno ac ymadael hefyd, ond ar y cyfan bydd ffyrdd ymuno ac ymadael ar gau dros nos gyda

(TEMPORARY TRAFFIC PROHIBITIONS AND
RESTRICTIONS) ORDER 2025**

The Welsh Ministers have made an Order under section 14 of the Road Traffic Regulation Act 1984, which is necessary to undertake works on or near the A55 and A494/A550 trunk roads between Llys y Gwynt Interchange, Gwynedd and the Wales/England Border, Flintshire.

The alternative routes, which will be signed accordingly, are also described in that Schedule;

ii) impose a 30, 40 or 50 miles per hour speed limit on the lengths of the trunk roads and slip roads specified in Schedule 1 to this Notice as indicated by signs. (The temporary speed limits are likely to be in place for the duration of the works);

iii) prohibit vehicles over 3.0 metres wide from proceeding on the lengths of the trunk roads and slip roads specified in Schedule 1 to this Notice during night-time hours. Vehicles will be parked up overnight while the prohibition is in place. Times and dates will vary as indicated by traffic management;

iv) prohibit all vehicles (other than those being used by the emergency services) from making a right-hand turn on the lengths of the A55 specified in Schedule 2 to this Notice. The alternative routes, which will be signed, are also described in that Schedule.

The Order is expected to come into force at 00:01 hours on 21 April 2025 and operate intermittently for a maximum duration of 18 months. Advance traffic signs will be displayed before the start of works at any one site. Closure periods may vary from site to site. Where it is necessary to close lengths of the main carriageway, these will be for short periods of no more than 20 minutes with no diversion route necessary. Where possible, this may also apply to slip road closures, but generally slip road closures will be carried out overnight with diversions. Full main carriageway closures with diversions would only be necessary in exceptional unforeseen circumstances. When agreed, emergency vehicles will be escorted through closures.
