

Getting the most out of EIDCymru

Registering for an EIDCymru online account has many advantages, with it you can:

- » **Create** a movement
- » **Confirm** a movement – save a stamp
- » **Check** all movements for accuracy
- » **Compliance** – help prepare for an inspection
- » **Complete** the Sheep & Goat Annual Inventory

Once registered, log in to your EIDCymru online account, using your username or email address and your password. You will see your dashboard where there are many functions available for you to use.

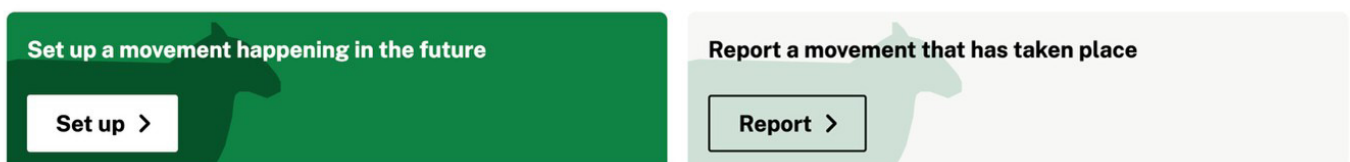

Create a movement

Within Business Moves – Report sheep that have moved from one holding to another holding within the same business

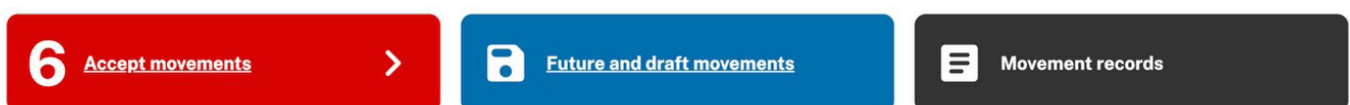

1 Select 'Report a movement...'

Create a movement

Accept movements

2 Select 'Report animals leaving'

The screenshot shows the EID Cymru 'Report animals leaving' form. At the top, there is a green header with the EID Cymru logo and a 'My dashboard' link. Below the header, the form has a 'Select species' dropdown menu with 'Sheep' selected. Underneath, there is a section titled 'What do you want to report?' with two buttons: 'Report animals leaving >' and 'Report animals arriving >'. At the bottom, there is a '< Go back' link.

3 Use the drop-down to select the departure CPH, holding address will appear below

The screenshot shows the EID Cymru 'Departure Details' form. At the top, there is a green header with the EID Cymru logo and a 'My dashboard' link. Below the header, there is a breadcrumb trail: 'Report animals leaving - Sheep'. The form has a section titled 'Departure Details' with a 'Departure CPH' dropdown menu. Below the dropdown, there are labels for 'Farm', 'Village', 'Town', 'County', and 'Post Code'. There is a link 'Or use Tack Land'. Below that, there is a section titled 'When was the move?' with a date picker for 'Day', 'Month', and 'Year'. Below the date picker, there is a section titled 'Name of owner if different to keeper named above' with a text input field. At the bottom, there is a 'Save and continue >' button.

4 Use the drop-down to enter the date of the movement

5 No need to provide Name of owner for within business moves

6 Click 'Save and Continue'

7 Start typing the destination CPH, the system will remember used CPHs. Select the correct CPH when it appears. Holding address will appear

8 Select 'No' to confirm that these animals were not sold

9 Click 'Save and Continue'

The screenshot shows the EID Cymru 'Destination Details' form. At the top, there is a green header with the EID Cymru logo and a 'My dashboard' link. Below the header, there is a breadcrumb trail: 'Report animals leaving - Sheep'. The form has a section titled 'Destination Details' with a 'Destination CPH or Name' dropdown menu. Below the dropdown, there are labels for 'Farm', 'Village', 'Town', 'County', and 'Post Code'. There is a link 'Or enter address if not known'. Below that, there is a section titled 'Did you sell these animals?' with radio buttons for 'Yes' and 'No'. At the bottom, there is a 'Save and continue >' button and a '< Go back' link.

All the animals in the consignment satisfy FCI. [Requirements](#)

Yes

No

Save and continue >

< [Go back](#)

10

Enter individual tag numbers for the moved sheep, the Flock number will appear in the line below to reduce repetition. Change the Flock number as required

11

Select 'Confirm selected tags' when you have inputted all tag numbers

12

Confirm the number of sheep in the 'Animals moving', it should match 'Tags recorded'

13

Confirm 'Yes' or 'No' in the FCI section. If you select 'No' you may leave the details section blank as the sheep are not going to slaughter

14

Click 'Save and Continue'
