Our ref: ATISN 24615
Date: 11 April 2025

Dear ,

ATISN 24615

Thank you for your request which I received on 2 April. Further to the response issued to you under ATISN 24511, you asked for the following:

Expenditure for just the 2024/25 financial year.

Our response

I have reached the conclusion that it will cost more than the appropriate limit established in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 to consider your request. The appropriate limit specified for central government is £600. When calculating whether or not your request exceeds appropriate limit, I am allowed to consider the time it is likely to take to establish if we hold the information, locate the information, retrieve the information and extract it. If these tasks are estimated to take more than 24 hours of working time, the limit will have been exceeded.

I can confirm that the level of detail sought would not be able to be extracted directly from our Welsh Government finance system unless there was just one unique supplier of floral supplies and that was all they supplied us with (which I can confirm there is not).

On this basis, in order to locate, extract any information held would require a manual data manipulation exercise to be carried out across the entire Welsh Government estate as well as any individual events (where potted plants and flora may have been purchased) at the level of the individual procurements and purchase orders to

establish what information is held. Even with this exercise the spend may not be separately analysed in the invoices (for example) requiring further analysis exercises. This exercise would have to be carried out within all Groups across Welsh Government.

As an indication, using our budget coding for 'Exhibitions / Events 508040' which is one of a number of potential codes which could possibly include spend on potted plants and other decorative flora, there are 1,545 lines of transactions listed, to interrogate the invoice details and supporting documentation for each transaction – if that took between 5 and 10 minutes would take 129-258 hours.

You may wish to refine your request by narrowing its scope by being more specific about what information you particularly wish to obtain (e.g. a specific area of Welsh Government or event) coupled with naming any particular suppliers on which you would like to receive information as well as a narrower time period. If you do refine your request in this way, this will be treated as a new request, please be as specific and focused as possible.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response.

Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:
