

laith Athrawon Yfory Incentive Scheme: The Scheme Terms and Conditions 2026

Overview

laith Athrawon Yfory Incentive Scheme 2026 provides a financial incentive for Initial Teacher Education (ITE) students commencing a secondary postgraduate ITE programme in September 2026 enabling them to teach through the medium of Welsh or Welsh as a subject.

Background

1. The Welsh Ministers have powers to provide financial assistance under sections 14-17 of the Education Act 2002 for:
 - a. the promotion of the recruitment or retention of teachers or non-teaching staff
 - b. providing for a person's maintenance while he undertakes such a course
 - c. the remuneration of, or provision of other benefits to, teachers or non-teaching staff.
2. The laith Athrawon Yfory incentive scheme: The scheme terms and conditions 2026 ("this Scheme") is made in the exercise of those powers.
3. This Scheme comes into effect on 1 September 2026 and applies in relation to Wales. This Scheme replaces the laith Athrawon Yfory Scheme 2025.
4. The Welsh Ministers may issue non-statutory guidance on this Scheme under section 10 of the Education Act 1996 to assist students and providers eligible programmes. Persons applying for this incentive and those exercising any function under this Scheme must have regard to that guidance. The guidance for this scheme year can be found via these pages:

5. This document sets out a brief outline of how this Scheme will operate and the purpose for which the incentive grant will be paid.

Summary of the Scheme

6. This Scheme makes provision for the Welsh Ministers to pay incentive grants to secondary postgraduate ITE students, studying their programme through the medium of Welsh or Welsh as a subject.
7. The Welsh Ministers will determine the number of instalments and when instalments will be paid to eligible persons. Payment will usually be divided into two instalments. The QTS instalment may be claimed after the eligible person has achieved qualified teacher status, on completion of an eligible programme in Wales leading to the award of qualified teacher status (QTS). The programme will

enable the eligible student to teach through the medium of Welsh or Welsh as a subject. The Induction instalment is available upon successful completion of an induction period, in a maintained Welsh-medium or bilingual secondary school; or upon successful completion of an induction period as a teacher of Welsh in any maintained secondary setting in Wales and may only be claimed by those who received the QTS instalment. The decision of the Welsh Ministers as to whether any payment under this Scheme will be made to any eligible person is final.
