**Our response:**

In my letter dated 13 October 2025 I noted that your request as it stood would be very time consuming to deal with and asked you to refine your request. I also suggested ways that would help you to specify or narrow your request for information. As you have not written further in this regard, on this occasion I have decided to refuse your request for information as it will cost more than the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 to answer your request. The reasons for refusing your request were quoted in the letter sent to you dated 13 October 2025.

**Next steps**
