Dear

ATISN 26208 Godre'r-graig Quarry/ Cilmaengwyn tip (T37552)

Information requested

Apologies for the late delivery of this response.

Thank you for your request which I received on 2 October 2025. You asked for:

- The date of the meeting in 2022 with NPTCBC which following the tip classification was changed to coal
- the date was this information inputted on to the national data set
- any further information relating to this, such as individual tip plans, emails, or meeting minutes

Our response

Our records suggest that the date where Godre'r Graig Quarry/Cilmaengwyn tip (T37552) was discussed was the 16th August 2022. The meeting was scheduled by Welsh Government to address and resolve inconsistencies in the data collated by Welsh Government and records held by NPTCBC. Godre'r Graig is mentioned alongside an action to 'WG / CA change to coal - NPT to share reports with WG'. See email in Annex A.

The date on which the information about when the Godre'r Graig Quarry/Cilmaengwyn tip (T37552) was provided in my response to the ATISN 25122.

An email from Welsh Government to NPTCBC requesting again the provision of reports to support changing Godre'r Graig from sandstone to coal is also included at Annex B. The relevant section is dated 8th September 2022. Our archives don't include records of any evidence provided by NPT as prompted by the actions noted from the meeting.

Next steps

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:
