Subject: Application Submission – Curriculum for Wales Grant Support Programme

Dear Curriculum for Wales Grant Team,

Please find attached our application for the Curriculum for Wales Grant Support Programme, under the theme "Understanding of computing and digital skills".

This proposal outlines how STEM Learning UK will deliver high-quality, flexible professional development aligned with the Digital Competence Framework. Drawing on our national expertise in delivering impactful CPD across the UK for over 20 years, we are confident that our approach will support teachers across all phases to embed digital skills meaningfully across the curriculum.

Should you require any further information or clarification, please do not hesitate to get in touch (I would also be grateful if you could copy my colleague ==Redacted information S40==, cc'd, into any response).

We look forward to the opportunity to support the development of confidence and capability of teachers across Wales.

Kind regards,

 STEM Learning
