Dear

ATISN 26406– Request for Information

Information requested

Thank you for your below request which I received on 24th November.

I would like all information on unregulated flights leaving various airports over the UK and spraying heavy metals into our atmosphere. I have evidence of these unregistered flights and also a pilot who is willing to whistle-blow even tho he was made to sign an NDA (which he took a photo of with a hidden camera). I request that all information is shared with myself. Denial of this will not be accepted.

Our response

Following a search of our paper and electronic records, I have established that the information you require is not held by the Welsh Government.

Welsh Government does not have devolved powers and thus cannot and does not lead on these matters, accordingly we hold no information within the scope of this request. Such policy and work would be a matter reserved to the UK Government, and the appropriate UK Government department would be the Department for Energy Security and Net Zero. You may ask them here:
