

Sheep & Goat Annual Inventory – 1 December

- All keepers will receive written communication before the inventory opens on 1 December.
- The quickest way to complete your inventory is via your EIDCymru account. Contact EIDCymru for support in registering for an account.
- Keepers without an account will complete the inventory via the EIDCymru online portal. Access the support available to help you with this.
- Take Action Early: The inventory window will open on 1 December and close on 31 December – we encourage all keepers to complete their inventory as soon as possible to avoid any seasonal delays.
