Hwb

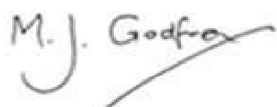

On behalf of Cardiff Council, I am writing to formally confirm our commitment to supporting the migration of schools in Cardiff to adopt a Hwb-first approach. This initiative aligns with our vision for enhancing digital learning infrastructure and modernising education delivery through the use of the Hwb platform.

Cardiff Council recognises the significant benefits that a Hwb-first approach will bring to schools, including improved digital collaboration, access to a wide range of educational resources, and the ability to create a consistent digital learning environment across the city. We are committed to working closely with the Welsh Government, individual schools, and other relevant stakeholders to ensure a smooth and efficient transition to this approach.

Cardiff Council remains committed to advancing the quality of education in our schools through the use of innovative digital tools, and we are confident that the adoption of the Hwb-first approach will contribute to this goal.

We look forward to continuing our partnership with the Welsh Government to ensure the success of this important initiative.

Yours sincerely

Melanie Godfrey

GWEITHIO DROS GAERDYDD, GWEITHIO DROSOCH CHI

Mae'r Cyngor yn croesawu gohebiaeth yn Gymraeg, Saesneg neu'n ddwyieithog. Byddwn yn cyfathrebu â chi yn ôl eich dewis, dim ond i chi roi gwybod i ni pa un sydd well genrych. Ni fydd gohebu yn Gymraeg yn arwain at oedi.

WORKING FOR CARDIFF, WORKING FOR YOU

The Council welcomes correspondence in Welsh, English or bilingually. We will ensure that we communicate with you in the language of your choice, as long as you let us know which you prefer. Corresponding in Welsh will not lead to delay.
