Dear

**Request for Information - ATISN 26585**

Thank you for your request for information which I received on 16 January. You have asked for the Welsh Government:

*To provide the report and any assessments made to Roads Review Panel in 2025 on the A470 at Pontybat, Felinfach and details of their full consideration at this meeting and recommendations*

**Our reply**

I wrote to you on 20 January advising you the Roads Review Panel took place between October 2021 until their final report in February 2023 and would proceed on that basis unless I heard from you by 23 January. I did not hear from you, so I am responding as I understand your request.

The Welsh Government holds some of the information you requested. I attach 4 pdf documents namely the Mid Wales Safety Schemes WelTAG stage 3 main body, Pontybat Carbon Zero Workbook v 1.9, RR Objectives Summary Table Pontybat and the SRN Roads Review Proforma v 3 Sept 2021 – Pontybat. These are documents the Welsh Government provided to the Roads Review Panel.

The Welsh Government does not hold any information relating to the Roads Review Panel's considerations from any meetings as they were an independent panel. The final report they produced, and the Welsh Government's response is available on the Welsh Government's web site along with details of the Panel membership and terms of reference.
