

Dear

## **ATISN 26671 – Filming Activity**

### **Information requested**

Thank you for your request for information, received on 5 February. You asked for:

- Information on any filming activity the Welsh Government has facilitated, hosted, supported, approved, or otherwise been directly involved in on our premises. This includes activity where a fee was charged as well as activity where no fee was charged.

We understand that you are only requesting information relating to productions for which the Welsh Government itself has records due to its direct involvement.

- For the last six years, broken down by year:
  - The number of film or television productions the Welsh Government facilitated or was involved in.
  - The total number of filming days associated with those productions.

You have asked us to count filming days in the same way film offices do (e.g. treating one production on one day as one filming day). You have asked us to provide the information in the requested format or the closest available form and note any limitations in the data.
