Dear ,

Request for information - ATISN 26775 Hotel Rooms

Thank you for your request which I received on 6 March 2026. You asked for:

Hotel and hotel room data in a CSV file including the hotel names, addresses, star classifications, and the number of bedrooms.

Our response

The information you requested is enclosed. Please be aware that we do not hold a single file that meets your request, as not all hotels in Wales are part of the Visit Wales grading scheme. Visit Wales does not hold data about the star classifications from other grading schemes (i.e. the AA). Enclosed is the data we do hold, drawn from two sources.

The first is our Graded Property database comprising hotels graded by Visit Wales, this is the most up to date list of these properties and shows the star classifications awarded as part of the Visit Wales grading scheme.

The second is drawn from our Bedstock report, data for which was captured in cooperation with Local Authorities from 2018 to 2022. This data set does not contain grading information but is a more comprehensive list of the hotels in Wales. Please note that while this is a more comprehensive list, in some cases this information may be out of date and will not capture hotels closures or openings since 2022.
